By accessing CRM Int'l Websites you acknowledge and fully understand the CRM Int'l Privacy Statement and freely consent to the information collection and use practices described in this Website Privacy Statement.

We recommend and encourage that you always review the privacy policies of merchants and other third parties before you provide any personal information or complete any transaction with such parties.

3. INFORMATION WE COLLECT AND HOW WE USE IT

CRM Int'l collects certain information from and about its users three ways: directly from our Web Server logs, with Cookies, and the user.

A. Web Server Logs:

When you visit the CRM Int'l Website, we may track information to administer the site and analyze its usage. Examples of information we may track include:

- a) Your Internet protocol address.
- b) Number of links you click within the site.
- c) State or country from which you accessed the site.
- d) Date and time of your visit.
- e) Name of your Internet service provider.
- f) Web page you linked to our site from.
- g) Pages you viewed on the site.

B. Use of Cookies:

CRM Int'l may use cookies to personalize or enhance your user experience. A cookie is a small text file that is placed on your hard disk by a Web page server. Cookies cannot be used to run programs or deliver viruses to your computer. Cookies are uniquely assigned to you, and can only be read by a Web Server in the domain that issued the cookie to you.

One of the primary purposes of cookies is to provide a convenience feature to save you time. For example, if you personalize a web page, or navigate within a site, a cookie helps the site to recall your specific information on subsequent visits. Hence, this simplifies the process of delivering relevant content and eases site navigation by providing and saving your preferences and login information as well as providing personalized functionality.

CRM Int'l reserves the right to share aggregated site statistics with partner companies, but does not allow other companies to place cookies on our website unless there is a temporary, overriding customer value (such as merging into CRM Int'l <http://www.crmintl.org> a site that relies on third-party cookies). You have the ability to accept or decline cookies. Most Web browsers automatically accept cookies, but you can usually modify your browser setting to decline cookies. If you reject cookies by changing your browser settings then be aware that this may disable some of the functionality on our Website.

Google Analytics

Google Analytics is a web analytics service offered by Google that tracks and reports website traffic. Google uses the data collected to track and monitor the use of our Service. This data is shared with other Google services. Google may use the collected data to contextualize and personalize the ads of its own advertising network.

You can opt-out of having made your activity on the Service available to Google Analytics by installing the Google Analytics opt-out browser add-on. The add-on prevents the Google Analytics JavaScript (ga.js, analytics.js, and dc.js) from sharing information with Google Analytics about visits activity.

For more information on the privacy practices of Google, please visit the Google Privacy Terms web page: <http://www.google.com/intl/en/policies/privacy/>.

C. Personal Information Users:

Visitors to our website can register to purchase services. When you register, we will request some personal information such as name, address, email, telephone number or facsimile number, account number and other relevant information. If you are purchasing a service, we will request financial information.

Any financial information we collect is used only to bill you for the services you purchased. If you purchase by credit card, this information may be forwarded to your credit card provider.

For other types of registrations, we will ask for only the relevant information. You may also be asked to disclose personal information to us so that we can provide assistance and information back to you. For example, such data may be warranted in order to provide online technical support and troubleshooting. We will not disclose personally identifiable information we collect from you to third parties without your permission except to the extent necessary including:

- To fulfill your requests for services
- To protect ourselves from liability
- To respond to legal processes or comply with law, or
- In connection with a merger, acquisition, or liquidation of the company.

4. USE OF WEB BEACONS OR GIF FILES

CRM Int'l Web pages may contain electronic images known as Web beacons – sometimes also called single-pixel gifs – that allow CRM Int'l to count users who have visited those pages and to deliver co-branded services. CRM Int'l may include Web beacons in promotional e-mail messages or newsletters in order to determine whether messages have been opened and acted upon.

Some of these Web beacons may be placed by third party service providers to help determine the effectiveness of our advertising campaigns or email communications. These Web beacons may be used by these service providers to place a persistent cookie on your computer. This allows the service provider to recognize your computer each time you visit certain pages or emails and compile anonymous information in relation to those page views, which in turn enables us and our service providers to learn which advertisements and emails bring you to our website and how you use the site. CRM Int'l prohibits Web beacons from being used to collect or access your personal information.

5. ACCESSING WEB ACCOUNT INFORMATION

We will provide you with the means to ensure that personally identifiable information in your web account file is correct and current. You may review this information by contacting us by sending an email to our support attendant --[infoforminternational@gmail.com]

Marketing Communications

Under the Privacy and Electronic Communications Regulations, we may send you communications from us if you made a purchase or asked for information from us about our goods or services or you agreed to receive communications and in each case you have not opted out of receiving such communications since. Under these regulations, if you are a limited company, we may send you emails without your consent. However, you can still opt out of receiving emails from us at any time.

You can ask us to stop sending you messages at any time by following the opt-out links on any message sent to you OR by emailing us at infoforminternational@gmail.com at any time.

If you opt out of receiving communications this opt-out does not apply to personal data provided as a result of other purchases or transactions.

How we protect your data

Our website has industry standard security measures in place to protect the loss, misuse and alteration of the information under our control. While no data transmission over the Internet can be guaranteed to be 100% secure, we will take all reasonable steps to insure the safety of your personal information.

What data breach procedures we have in place

We protect customer data with the following site features:

We are entirely using SSL/HTTPS throughout our Site. This encrypts our user communications with the servers so personal identifiable information is never captured by third parties without authorization.

In case of a data breach, System administrators will immediately go through affected users and will attempt to reset passwords if needed after informing the user.

Industry regulatory disclosure requirements

Under data protection laws you have rights in relation to your personal data that include the right to request access, correction, erasure, restriction, transfer, to object to processing, to portability of data and (where the lawful ground of processing is consent) to withdraw consent. Additionally, please note that your information will be transferred outside of Europe, including the United States.
